## WHY THEY CHOSE WESTERN PART OF UKRAINE?

### LOGISTIC

- significant reduction of lead-time and freight costs in comparison with China.
- close to EU border. Trucking to Sweden is 2 days.
- company trip time savings

### SKILLED STAFF

- good language skills, English, German, Hungarian, Polish widely spoken
- availability of skilled labour
- European mentality of thinking

### PROFIT

- labour costs is 10 times cheaper than in Western Europe
- goods transport savings
- new market for your product
